RE: Proposed By-Laws Changes

Treasurer
John Rogers

During the past few months the By-Laws Committee has been reviewing the current By-Laws of the Association. Most of the proposed changes are housekeeping items such as spelling, grammar and scripting errors, but there are two major proposals which merit your attention.

Directors
Chris Bletscher
Doug Butscher
Bob Rowland

1. A quorum at any Association membership meeting shall be 50 members. The current definition of a quorum is 15% of the homeowners. There are 500 homes in the Association which equates to 75 members constituting a quorum.
2. Voting for Board of Directors or for other issues may be done in person at the meeting, by mail or on the internet. Currently the By-Laws allow for voting only in person at the meeting.

These changes, along with all the proposed changes, have been reviewed by the Board of Directors and have received their endorsement. A copy of the By-Laws, along with the proposed changes, is available on the Association's website, www.silverlakeraymore.net, or at the clubhouse, 10:00 am - 2:00 pm, Monday - Thursday.

Please mark your calendar for February 12, 2009, which is the next Association Membership meeting where the proposed By-Laws changes will be on the ballot, along with candidates for the Board.

Sincerely,
Silver Lake Homes Association By-Laws Committee

Doug Butscher, Chair
Peggy Agnew
Craig Harris
